

**TOTAL**  
*Green*

**DIRECTIONS**

Dilute 1 part cleaner with 8 parts cold water. Spray onto surface and wipe clean.

**DESCRIPTION**

This product's name comes from its incredible zero rating in the three NFPA categories of flammability, health and reactivity. This product is so safe it can be used on virtually any surface — metal, plastic, wood, painted surfaces, fiberglass, rubber, fabrics, carpet, ceramic, glass, etc.

While gentle on surfaces, it is strong enough to remove heavy dirt, grease, grime, oil, scuffs, shoe polish, food deposits, adhesives, stains and almost any other soil you can think of. It also leaves surfaces smelling clean with a fresh, pleasant scent.

**CAUTION**

May irritate eyes.

**FIRST AID**

**IF SWALLOWED:** Contact a physician or poison control center immediately. DO NOT induce vomiting.

**IF IN EYES:** Flush eyes with water for at least 15 minutes. If irritation is persistent, contact a physician.

**IF ON SKIN:** Wash skin with soap and water. Remove all contaminated clothing and launder separately before reuse. If irritation is persistent, contact a physician.

**IF INHALED:** Remove person to fresh air. If irritation is persistent, contact a physician.

*See M.S.D.S. for complete safety information.*

**KEEP OUR OF REACH OF CHILDREN**

**Handling & Storage:** Keep container tightly closed when not in use. Avoid excess heat and open flame. Do not store in unmarked containers. Rinse empty container before recycling.
